

# Tieni Jum ta Tridu

Hamis hija wahda minn dawk il granet li kull Qormi ikun qed jistenna. Sa minn zmien ilu din il-gurnata minn dejjem kienet fuq fomm il-Qriema u dan ghaliex kull qalb Qormija hija marbuta ma' dak kollu li jigri l-Hamis, fosthom mat-tlugh tal-istatwa ta' San Gorg fuq iz-ziemel fil-pjazza San Frangisk.

Fis-6:00 ta' filghaxija bdiet l-quddiesa bl-Ghasar, iccelebrata minn Dun George Schembri vi?i-parroku l-Imqabba , li spiega kif il-profeta huwa dak li jitkellem ma' Alla u ghaldagstant, San Gorg hu profeta megalomartri.
